Summer
Term 2017

**Extra-Curricular
Clubs/Study
Opportunities**

Dear Student/Parent

This is our programme of extracurricular activities for the Summer Term. As you will see there is lots to do. Opportunities include learning new things such as the 'GLEE' Club or study opportunities to help you understand and extend work you are doing in lessons. Many subject areas and individuals contribute to the programme and we want to expand it further. Please take full advantage of what we offer. The free 'late bus' is paid for by the school and we really want to see it full.
