Dear Student/Parent

This is our programme of extracurricular activities from April 2010 to September 2010. As you will see there is lots to do. Opportunities include learning new things such as Photography or study opportunities to help you understand and extend work you are doing in lessons. Many subject areas and individuals contribute to the programme and we want to expand it further.

Please take full advantage of what we offer. The free 'late bus' is paid for by the school and we really want to see it full.

J Sellars  
Headteacher

Mrs Gwyther is available from 12.30 pm –1.00 pm each day to help with Health & Social Care class work, homework & coursework in B5

**SEE P.E
